Subject: No on Phillips 66 Oil Terminal!

Dear SLO Planning Commission,

I am a 23-year Davis resident and home owner near the downtown core area and am very concerned about the Phillips 66 oil trains coming through Davis. I believe the risk of derailment, fire, contamination and even explosive conflagration is significant. As such, I implore you to do the right thing and oppose this project.

Sincerely,
Doreen Pichotti
Davis, CA
